Barton Willmore	We write on behalf of our client, Martin Grant Homes, in response to the proposed designation of the Burpham neighbourhood Area and Neighbourhood Forum.
	As background, the propopsed Burpham Neighbourhood Area includes land immediately to the east of Guildford, at Gosden Hill Farm which is within the ownership of Martin Grant homes.
	We note that Land at Gosden Hill Farm (North East guildford) has repeatedly been recognised in successive strategic plans as the most suitable location for the expansion of Guildford if required to meet future development needs.
	The accompanying report, enlosed, sets out our objections in more detail. In summary, we are seeking an amendment to the boundaries of the
	Neighbourhood Area designation so that the eastern boundary follows the boundary of the Guildford urban area and the Metropolitan Green Belt as shown on the Guildford Borough Council Local Plan Proposals Map (2003).
	Following this consultation, please could we receive confirmation of the timins of any decision being taken by guildford Borough Council in response to the application.
