## Notes

### Section 1

Please complete the details of the house to be re-licensed and the applicants contact details.

The proposed licence holder can be another person (they will also need to sign section 2).

Please confirm the managing agent. The person having control of the house is the owner who receives the rack rent. We normally assume a licence should be issued to the owner.

Another person might agree to be bound by conditions in the licence. They would have been notified if this was the case with the existing/previous licence.

### Section 2

The Housing Act requires you to notify the council of anything listed on this page, which might affect your suitability to be licence holder or manager. If the licence holder is not the applicant, both must sign this page. If any of the criteria listed apply, you must provide details with the application.

### Section 3

You must confirm that the property has not changed since your last application. If there are any changes you must provide details.

Legal requirement to declare the application

You must let certain persons know in writing that you have made this application or give them a copy of it. The persons who need to know about it are—
