**Subject:** Feedback from Cllr Angela Goodwin: GBC Interim Review of Polling Districts & Polling Places

Good afternoon

I have a couple of comments to make regarding **Guildford South West division**:

1. St Nicolas Ward has been spelt incorrectly on the website ([Returning Officer Recommendations for Guildford South West Division - Guildford Borough Council](#)). It's **not St Nicholas!** Kindly update.
2. I remain perplexed as to why there are two polling stations so close together in Onslow ie QE School and Onslow Village Hall. I recommend that one of them is moved to Grace Church (70 Guildford Park Road). This will serve the existing nearby roads (Guildford Park / Madrid/ Denzil / Bray / Agraria / Lynwood / The Oval / Iveagh / Poltimore to name but a few) along with the proposed new housing developments that are due in the future (Guildford Road Car Park and Guildford Cathedral).

**I would appreciate if you could consider the above.** Thank you.

Best wishes

Angela
