Continued from previous page...

Do you want the proposed variation to have effect as soon as possible?

Yes  No

Do you want the proposed variation to have effect in relation to the introduction of the late night levy?

Yes  No

You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable to the late night levy.

If your proposed variation would mean that 5,000 or more people are expected to attend the premises at any one time, state the number expected to attend

#### Describe Briefly The Nature Of The Proposed Variation

Describe the premises. For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies, you must include a description of where the place will be and its proximity to the premises.

The application seeks to extend the late-night refreshment hours, until 03:15, and the premises opening hours until 03:30, Monday to Saturday only. The existing Sunday operating hours will remain unchanged. The premises includes a waiting area for customers; however, all food will be consumed off-site as take-away or via delivery services. It is noted that several nearby take-away establishments currently operate until 05:00 am, demonstrating that the proposed extension is consistent with the local area's late-night refreshment offerings.
