A) General - all four licensing objectives	Pride in Surrey uses a preferred and consistent team of professionals from the SIA security Team, Medical teams and established event catering companies to ensure that we run successful events and have had no issues for a number of years since we have started Pride in Surrey. We work closely with the council and the local emergency services through the SAG meetings to ensure that we run a safe and successful event. The event is ticketed to enable us to obtain information on all attendees.
B) Prevention Description	The use of a preferred SIA Security company to carry out bag searches on arrival and patrol the site throughout the day and the days prior to the event. Also use of a drugs dog and drone (subject to License) will be used to monitor the sight.

C) Public Safety Description	The use of Heras fencing and the ticket system will enable us to know who is in the park. The security team will operate alongside Medics and the event team to ensure the safety of the public attending the event
D) Public Nuisance Description	This license has been applied to end at 10pm although the event will finish at 9pm, the 10pm license is in case of any over run but the team work hard on the day to minimise this with strict timings for the stage performances. Following last years request that we finish at 10pm it is felt that the concern of attendee numbers going into Guildford Town did not emerge so we will be finishing the event at 9pm this year. Bars will be closed prior to the end of the event and no drinks will be permitted to be taken out of the event unless in sealed bottles (gifts) Exits will be monitored by security to remove any drinks from attendees. Monitoring of the attendees by security to spot any issues early and these people will be removed early and not allowed back on site. Directional signage will guide attendees to the town and rail stations.
E) Protection Of Children Description	Lost child facility will be advertised on site and the security team will look after these. Ticketed event so a record of all attendees is available on request. The bars will be operating a drink 25 policy to ensure children are not able to purchase alcohol. Security will monitor this as well as the bar teams.
