Provide a brief description of the proposed variation	<p>We are reviewing the health of our licence estate to ensure our premises remain compliant and operate in line with an up-to-date licence. This variation seeks to replace the SIA registered guarding condition contained within the premises licence with alternative wording which we believe is more in line with and reflects the current modern risk-based approach Tesco adopts. The current condition is static whereas the proposed condition is more dynamic and reflects the processes which Tesco has in place and which we believe work well and allows the company to react to what is happening at the current time. Tesco assesses the need for security in all our stores with input from the relevant teams at head office. The “risk assessment” will be periodically reviewed and whenever there is any issue or incident that arises which means the assessment should be revisited. Tesco will then employ security in such numbers and on such days and at such times as may be identified in the “dynamic” assessment. We also believe that this more neatly fits with the modern approach to regulation, licensing, and best practice. As such, the variation is to substitute the current wording of the SIA registered guarding condition with the following:</p> <p>Condition to be deleted: • 8. Unless exceptional circumstances arise, a security guard will be present within the store from 1500 to close daily.</p> <p>Condition to be added: • “The premises licence holder will risk assess the need for SIA security and shall employ SIA registered security in such numbers and on such days and at such times as the assessment identifies. • Any relevant input or comment from the police, where made, shall be taken into account when undertaking such assessments. • The assessment shall be reviewed and revisited whenever there is an issue or incident relevant to the assessment of the need for security. This can be done at a local level. Any changes to the overall assessment shall then be implemented. • The current assessment shall be made available to the police upon reasonable request”.</p>
